Principal's Message — January 2026

Happy New Year, and welcome back! I hope that our students, families, and community members had a restful and joyful Christmas break. On behalf of all of us at Dr. Folkins Community School, I would like to wish you a very happy, healthy, and successful 2026.

Like many of you, we return in January with good intentions, fresh energy, and at least a few New Year's resolutions — whether that's "get more sleep," "drink more water," or in the case of our students, "definitely not leave assignments until the last minute this semester." We're excited to begin this new year together and continue the great learning happening in our school.

As we close out the first semester, I would like to share an important update regarding high school final exams. In order to maximize instructional time following the recent strike and ensure that we are able to cover as much curriculum as possible, we will not be running a traditional exam week with a separate exam schedule where students are out of regular classes. Instead, high school final assessments will take place within regular class time. Classroom teachers will be communicating directly with students about what their final assessments will look like in each course.

I would also like to remind families that our Awards Ceremony will take place at 2:00 p.m. on Wednesday, January 28, and we hope you will be able to join us as we celebrate the achievements of our students.

Finally, please note that there has been a small adjustment to the school calendar — the last day of the semester is now Thursday, January 29.

Thank you, as always, for your continued support of our students and our school. We are looking forward to a great start to 2026 together.

Stay warm everyone--

Chris Demeule

Principal, Dr. Folkins Community School

NEW Mailing Information

We will be changing our mail out process starting with our January issue on a trial basis.

Instead of placing a copy in every mailbox in our post office, there will be copies available in the lobby for anyone who wishes to take one.

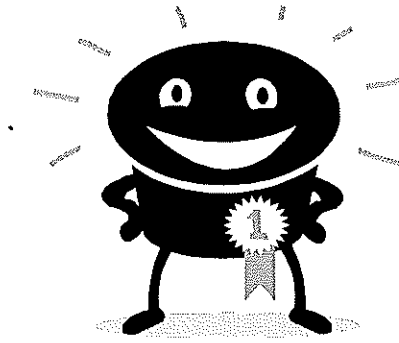

We are trying to get a better idea of how many printed copies are utilized, which will help with the cost of copying and paper purchases.

We are happy to provide the printed copies for pickup for those who prefer this method, but if you would like to receive a copy to your email instead, please message annette.dallyn@btps.ca and we will add your email address to the list.

To our out of town customers who are on our mail out list, you will still continue to receive a copy by mail unless you inform us of changing your method of delivery to email copies.

We welcome your thoughts or comments after the January trial issue to annette.dallyn@btps.ca.

Thank you!

WESTMINSTER PRESBYTERIAN CHURCH

FOREVER, AND THE REST OF OUR LIVES!

"And now I'm glad I didn't know. The way it all would end. The way it all would go. Our lives are better left to chance. I could have missed the pain, But I'd have had to miss the dance!" Today, Garth Brooks fans will recognize immediately the refrain from his hit single, "The Dance."

His words remind us that life is a dance that requires our participation and enthusiasm - no sitting on the sidelines, no hanging back, and always do our best! Even if we don't know all the steps, even when life hurts, we can still make the effort. We don't have to miss the dance!

Long ago, God sent us a certain man with a great and wonderful mission. He came to invite the world to join him in the dance of life. He asked only that those who joined him would let him lead. Not everyone, however, was willing. He seemed so awkward, so not special; nothing but the poor child of an unwed mother.

Uneducated. Unattractive. Familiar with sorrows. Acquainted with grief. What dance could he possibly teach us?

But, in truth, he knew us better than we could ever know ourselves. He invited us to hear, to remember, the music that God puts into every human heart. He knew we could learn again that dance called faith, the dance called hope! Called joy! Called courage! Then, suddenly, he was taken. Called to dance alone with betrayal, pain and death. With his dying, the music faded and the dance was over. Would it, could it, ever begin again?

But then, just as suddenly, the unexpected happened. At first, it was only a whisper. Only a few notes, heard by only a few voices. Then, it grew louder, clearer, more hopeful, more joyful. Finally, it became unmistakable, and then undeniable. The music of life had won the day - calling us to remember what we were born to do - to follow in the steps of the One whom death could not stop; the One who came into the world to lead us back into the dance of Life. Back to Joy. Back to Hope, and onward into Faith. Dear friends in Chauvin, as another year begins, and uncertainties and crises of all kinds daily challenge us, let's stay close to the One whose greatest joy is to reacquire us with the melodies of grace, and hope, and love. Let's take the next minute, and then the next hour, and then the whole day, and then the whole year, and let's trust him to lead us. He knows the steps. He knows the tune. He is able and willing to teach us - if we let him lead.

Let's have this dance, HIS dance, for this year ahead, and then, for the rest of our lives! And then, forever!

New Years Blessings,

Rev. Steve

CARD GAMES TO FOLLOW

Confident, Strong and Healthy for 2026, taken from Joyce Meyers, Dec 2024

What does God have for you this year? What can you do to be healthier? How can you improve your relationships? Is this the year to start that business or ministry?

Whether you are planning for today, this week, this month or the year ahead, we wan to encourage you with this truth ,,,,,

The key to wise plans, big dreams, and effective prayers is spending time with God!

We want you to experience all that God has for you. It's really that simple. Regular time with God is the key to living a life full of hope and freedom that Jesus came to give you! When you spend time praying, studying the Word, and sitting quietly in Gods presence, it allows Him to show you HIS plans for you, and to show you how to accomplish the dreams He has placed in your heart.

"Draw near to God and He will draw near to you", James 4:8

"But seek first the kingdom of God and His righteousness, and all these things shall be added to you.", Matthew 6:33

"Yet to all who did receive him, to those who believed in his name, he gave the right to become children of God.", John 1:12

If you want to have a great life - a life of freedom that you truly enjoy - it all begins with reading and studying Gods Word. Taking the time to read and study Gods Word is one of the greatest investments you will ever make.

2 Timothy 3:16, points out that the Bible is your handbook for living

Romans 15:13, has all the answers to living a peaceful, successful, and enjoyable life

Proverbs 15:32, God uses His Word to teach, correct, and change you

Hebrews 12:1-2, points out that His word helps you fulfill your destiny here on earth

When we regularly spend time talking with God and studying His Word, we are sowing seeds that will reap a harvest in every single area of our lives. Its up to you to nurture the seed by continuing to pray and meditate on His Word. Consistency helps you draw closer to God, fall in love with His Word, discover His promises, and trust His plans for you and your loved ones.

Ladies Bible Study is scheduled to start Tuesday, January 20th at 1:30 pm at the church. This study is titled "Daring Joy", a seven week study about the power of celebration when it feels risky, complicated and even impossible. Contact Shelley Johnson at 780-806-3294

Mens Bible Study is Monday's at 7:00 pm at Rajottes, feel free to join them anytime - always an open invitation! Contact Remy at 780-842-0356

Sunday Worship starts at 10:30 am - Everyone is welcome - Come as you are!

The words "Thank You" are written in a cursive, handwritten-style font. Each letter is filled with a rainbow gradient, transitioning from red at the top to purple at the bottom. The text is centered at the top of the card.

2026 Edgerton Hat Trick for Mental Health - Looking for Student Volunteers!

wainwrightonwellness

Our Wow program is hosting a community event at the Edgerton Arena on January 10, 2026 called "Hat Trick for Mental Health" for their Hockey Day in Edgerton. We are partnering with Edgerton Arena Board to bring players, their families and the community together to raise awareness on the importance of Mental Health from an athletic perspective. There will be an interactive information table set up for community members attending to play games and gather information.

Once the first puck drops at 9 am, **WOW** will be there. The Mental Health promotional announcements will begin and be offered throughout each game. Starting at the U11 game at 12:30 pm, **Wow** is looking for local skaters to fly our **Hat Trick Flag** during the mental health announcements throughout the games. You must **email me to sign up your skater** and let me know what game they are available to fly the flag.

The day will end with the **Heritage Classic Game with local hockey players starting at 8:00 pm**. The kids will be invited to warm up with these players, stay on the ice for O'Canada and of course, **fly the flag**. We are wondering if anyone from your team would also like to participate by flying the flag at the Heritage Classic Game.

Please email me at: shannon.fife@btps.ca to register your skater or if you have any questions.

Thank you,

Shannon Fife, WOW Wellness Facilitator BTPS South Schools
